▼ SUMMARY

When Patti Furey Crane was pregnant with her first child, she craved high-quality, gluten-free sweets. Options were few and far between, though, so she decided to make them herself. In 2004, she opened a bakery devoted entirely to gluten-free confections and called it Mariposa, meaning "butterfly" in Spanish, because of her belief in transforming lives through healthy eating. Her bountiful sweets box includes Mariposa's most popular selection of gluten-free confections, all made from scratch with premium ingredients like with Guittard semisweet chocolate and fragrant vanilla. The gift box includes five favorites:

Viennese Tea Cookies: Delicate, buttery cookies made with ground almonds and tossed in powdered sugar (10 pieces).

Coconut Lemon Squares (dairy-free): Sweet and tangy lemon bar layered with crunchy pecans, coconut flakes and brown sugar (4 pieces).

Penguinos: Nostalgic cupcakes composed of moist chocolate cake with luscious vanilla Rice Dream filling (4 pieces).

Triple-Chocolate Truffle Brownies: Dense, moist brownie squares crafted with semisweet chocolate, cocoa powder and unsweetened chocolate for intense chocolate flavor (4 pieces).

- 2 lb. 7 oz. total.
- Made in a 100% dedicated gluten-free facility.
- Shipped frozen.
- Made in USA.
